Collaborate • Deliver • Reflect • Improve

HEART OF AGILE DEEP DIVE

SOLEDAD PINTER

DESCRIPTION

The Heart of Agile, created by Dr. Alistair Cockburn, co-author of the Agile Manifesto, is a radically simpler approach to achieve outstanding outcomes. In this workshop we will dive into this concept, dictated by the trainer and leading practitioner in Latinoamerica and Europe, Soledad Pinter.

WHAT YOU WILL LEARN

- ♥ How each person can contribute to improve collaboration
- ♥ How to do incremental, value-based deliveries
- ♥ How it fits with Scrum and non-Scrum approaches across the organization
- ♥ How teamwork, communication & frequent delivery affect your initiatives
- ♥ Why it is good and how to split initiatives into smaller pieces
- ♥ How to improve team discussions with future-focused discussions
- ♥ How to apply the Heart of Agile approach to your everyday work and life
